Notes:

What is a drawdown?

A mortgage drawdown occurs when a customer draws down some or all of an approved mortgage. The mortgage loan drawn down may or may not be used for the purchase or building of a residential property. All mortgage loans must be secured on residential property in Ireland.

About this data

This data relates to loans approved by BPFI member institutions listed which are secured by a mortgage on residential Irish property. The full data series is available on the BPFI website at www.bpfi.ie.
